FEE GUIDE

NATURAL SMILES CORBY

A TRANSPARENT INVESTMENT IN YOUR SMILE

Your smile is worth getting right — and you deserve to choose your care with total clarity, never pressure. Every journey with us begins the same way: a free, unhurried consultation and a written plan made just for you.

No surprises, no obligation — only a clear picture of what's possible and what it costs. Where you see a price "from", your exact fee is agreed with you, in writing, before anything begins.

"Your first consultation is complimentary, and 0% APR finance is available to spread the cost of your treatment. We are here to make exceptional dentistry feel within reach."

MEMBERSHIP PLANS

Predictable, rewarding care with member savings on general treatment — see overleaf.

*Fees are correct as of 2026 and subject to change. Treatments shown "from" are individually quoted; a full written estimate is provided before any treatment begins. Selected cosmetic and full-arch treatments are not eligible for the membership discount. *0% APR finance is subject to status and terms & conditions. Subject to affordability, age & status; minimum spend applies.*

PEACE OF MIND

NATURAL SMILES MEMBERSHIP

Membership takes the worry out of looking after your smile. The same trusted team sees you year after year — getting to know you, catching small issues before they become big ones, and rewarding you with preferential rates once your dental health is settled. Choose Standard (two check-ups, two cleans a year) or Enhanced (two check-ups, three cleans): predictable care, a familiar face, and genuine savings.

STANDARD PLAN

£14.76

PER MONTH

- ◆ Two dental check-ups every year
- ◆ Two professional cleans every year
- ◆ Preferential rates on general dental treatment

ENHANCED PLAN

£22.15

PER MONTH

- ◆ Two dental check-ups every year
- ◆ Three professional cleans every year
- ◆ Preferential rates on general dental treatment

PATIENT BENEFITS

◆ HEALTHIER SMILES THROUGH CONSISTENCY

Members attend regularly, allowing us to catch and address issues early. This proactive approach means you achieve — and maintain — genuinely healthier outcomes than patients who visit reactively.

◆ YOUR TEAM, ALWAYS

See the same dentist you know and trust, year after year. Continuity builds understanding — we know your smile, your history and your goals.

◆ FINANCIAL PREDICTABILITY

One small monthly amount, no surprise bills — budget for your dental care with confidence. Once your smile is settled, you'll enjoy preferential rates on additional care, rewarding your commitment to your dental health.

◆ CARE THAT NEVER CLOSES

Toothache on holiday? You're covered — 24/7 worldwide dental emergency support through our partnership scheme. We're here for you, even when the practice doors are closed.

Whenever you're ready, we'll help you take the first step — calmly, clearly, and at your pace.
